JUNE 5 - 10 FOR ADULT WEEK FOR AGES 24+
JUNE 12 - 17 FOR CHILDREN AGES 8-23
JUNE 19 - 24 FOR ADULT WEEK FOR AGES 24 +

Special Camps is proud to announce we'll be returning to White Pines Ranch in Oregon, IL this summer, with a comprehensive COVID plan.

Special Camps (est. in 1995), provides kids and adults with intellectual disabilities and autism opportunities to form friendships, increase independence and self-esteem in week-long overnight camps.

Camp encourages the development of social skills through interactive activities alongside a teen volunteer in a structured setting, under adult supervision. Evening parties include hayrides, bingo, campfire songs, dancing and more.

Special Camps is run by volunteers. Most of our adult leaders have more than 20 years of experience. Volunteers must pass personal and police background checks. Volunteers have unique opportunity to learn from the campers, that they come to play and live along side. These interactions often lead to both personal and professional growth.

Due to COVID, everyone in attendance must wear a face mask, and verify negative COVID test or COVID vaccination on opening day.
